

Programme – Thursday 2nd September 2021

08:30	Online conference platform opens	
Session 1		
Chairs: TBC		
09:15 – 09:25	Welcome	Dr Andrew CG Breeze and Prof Katie Morris
09:25 – 09:50	A genomic primer for the non-genetic specialist	Dr Fionnuala Mone
09:50 – 10:20	Prenatal genomic testing in UK (England & Wales): current state of play	Prof Lyn Chitty
10:20 – 10:50	Principles of array / yield of array (with cases)	Miss Sue Hamilton
10:50 – 11:05	Questions and discussion	All speakers from session 1
11:05 – 11:20	Refreshment break and Networking	
Session 2		
Chairs: TBC		
11:20 – 11:50	Fetal phenotypes: improving detection of fetal abnormality - The selection of fetal cases for potential NGS and associated diagnostic yield	Prof Mark Kilby
11:50 – 12:20	Counselling before and after exome/ unexpected results	Dr Jennifer Campbell
12:20 – 12:30	Questions and discussion	All speakers from session 2
12:30 – 13:10	Lunch and Networking	
Session 3		
Chairs: TBC		
13:10 – 13:30	NIPT roll-out in the UK: who, what and not	Mr Pranav Pandya
13:30 – 14:00	NIPD for monogenic disorders: where are we, and what's coming?	Dr Stephanie Allen
14:00 – 14:30	Pre-implantation genetic testing and diagnosis in the UK	Prof Yacoub Khalaf
14:30 – 14:50	Prenatal testing for hereditary cancer susceptibility	Dr Anjana Kulkarni & Dr Alec McEwan
14:50 – 15:10	Questions and discussion	All speakers from session 3
15:10 – 15:25	Refreshment break and Networking	
Session 4		
Chairs: TBC		
15:25 – 15:50	Running a joint FM/genetics clinic	Dr Tessa Homfray & Prof Aris Papageorghiou,
15:50 – 16:10	Close relative marriage and genetic risk	Ms Naz Khan
16:10 – 16:40	How modern genomics has and can improve care: stories from families	Dr Kelly Cohen
16:40 – 17:00	Questions & close	All speakers from session 4

Speakers

Name	Job title	Organisation
Dr Stephanie Allen	Consultant Clinical Scientist	Birmingham Women's and Children's Hospital
Dr Andrew CG Breeze	Consultant in Obstetrics, Subspecialist in Maternal & Fetal Medicine	BMFMS/FGG/ Leeds Teaching Hospitals NHS Trust
Dr Jennifer Campbell	Consultant Clinical Geneticist	Leeds Teaching Hospitals Trust
Prof Lyn Chitty	Deputy Director of the NIHR, Professor of Genetics and Fetal Medicine, NIHR Senior Investigator and Clinical Director of the North Thames Genomic Medicine Centre	Great Ormond Street Hospital NHS Foundation Trust, London
Dr Kelly Cohen	Consultant in Fetal Medicine	Leeds Teaching Hospitals NHS Trust
Miss Sue Hamilton	Principal Clinical Scientist	West Midlands Regional Genetics Laboratory, Birmingham Women's Hospital
Dr Tessa Homfray	Consultant in Medical Genetics	SW Thames Genetics Service & Royal Brompton Hospital, London
Prof Yacoub Khalaf	Head of fertility services and Director of Assisted Conception Unit and centre for pre-implantation genetic diagnosis	Guy's & St Thomas's NHS Foundation Trust, London
Ms Naz Khan	Principal Genetic Counsellor	Genomic Medicine Central Manchester Hospitals
Professor Mark Kilby	Professor of Fetal Medicine	University of Birmingham, FGG, RCOG Genomics Task Force
Dr Anjana Kulkarni	Consultant Clinical Geneticist	Guy's and St Thomas' NHS Foundation Trust, London
Dr Alec McEwan	Consultant in Fetal medicine and Obstetrics	Nottingham University Hospitals NHS Trust
Dr Fionnuala Mone	Academic Clinical Lecturer in Maternal Fetal Medicine	Queen's University Belfast
Prof Katie Morris	Professor of Obstetrics and Maternal Fetal Medicine, Director of BCTU	BMFMS / University of Birmingham
Mr Pranav Pandya	Consultant in Fetal Medicine & Chair of the Fetal Anomaly Screening Programme Advisory Group, FASP	University College London Hospitals & National Screening Committee, Public Health England, London College Hospitals
Prof Aris Papageorghiou	Professor of Fetal Medicine and the Clinical Research Director	St George's Healthcare NHS Trust, London
